"All right—all sound," said he, we understand, nearly 30 000 subscribers, which "But who is your candidate for President?" is the best of evidence that the publication is we enquired, "Breckenridge"—laconically, appreciated by the reading public.

"He isn't the only candidate?" we insist-cd. "No, ne—others are talked of, but state some of the subjects of which it trents.— Breekenridge is the only man who will get Its illustrated descriptions of all the most imany electoral votes!" So saying, he quietly postant improvements in steam and agricultural walked away. No bit of egg shell is stick Farmer, while the new household inventions ing about the rump of this old Democrat, and shop tools which are illustrated by engra rings and described in its columns, with the practical receipts contained in every number, tenders the work destrable to housekeepers, and THE Nashville Daily News, the home almost indispensable to every mechanic or smith

jority of 1858, to two thousand for 1360.
But I will close with three cheers for the "Rail-splitter."
Yours for the cause,

"Rail-split
